# School Procedures

To help maintain an environment that is friendly, inviting, and safe, our staff has created specific procedures for all of us to follow. These procedures deal with common, everyday activities that take place here at school and should be done in a like manner by all students. The main objective for these procedures is to eliminate any questions on how *we do things around here* and how we will respond when students choose not to comply with our mission, expectations, and procedures.

At the beginning of each school year, the MWMS staff members spend time reviewing these procedures with all of our students. Additionally, when a need arises, we review them periodically. Students who do their best each day to follow the MWMS expectations and demonstrate **Being safe, Acting responsibly, Respecting self and others, and Keeping focused** can expect to be very successful during their middle school years.

MWMS strives to recognize and support all students. On a regular basis, we acknowledge and reward those students who demonstrate academic excellence, follow school rules, come to school every day and maintain positive relationships with their peers and staff.

In addition, as a result of legislation passed in 2008, the Board of Education developed Policy 1060 Bullying, Cyberbullying, Harassment or Intimidation, which establishes expectations for maintaining a safe and respectful school climate where bullying, cyberbullying, harassment and intimidation are not tolerated. Policy 1060 requires compliance with the Maryland Safe Schools Reporting Act of 2005 which provides for any student, staff member, parent/guardian or close adult relative of a student to report any incident of bullying, cyberbullying, harassment or intimidation that occurs on school property, at a school-sponsored activity or event, on a school bus or substantially disrupts the orderly operation of the school. Reporting forms are available in all HCPSS main offices,

school-counseling offices, the media center, and health services office. It can also be found on the HCPSS website. See Policy 1060 for additional information. Visit [www.hcpss.org](http://www.hcpss.org) for a reporting form and a copy of the *Student/Parent Handbook*.

Confiscated property will be turned in to the main office and items will only be returned to a parent or guardian during regular office hours.

### **Consequences for Non-Compliance**

The following are interventions that are used by teachers in correcting a student's inappropriate behavior. These actions are listed in the order of use. A student will proceed through the levels in each class.

- Level 1: Verbal Warning
- Level 2: In-Class Time Out
- Level 3: Out-of-Class Time Out
- Level 4: Office Referral

### **Out - of - Class Time Out:**

An out-of-class time out is when a student is sent to another teacher's classroom to refocus and reflect on his/her behavior. During an out-of-class time out, the student will be required to:

- Complete a reflection essay and return it to his/her assigned classroom teacher.
- Any student who refuses to complete the assignment will receive a phone call home to parents/guardian.
- Any disruption of the time-out classroom will result in Level 4- an office referral.
- Each Office Referral and/or Out-of-Class Time Out may result in the loss of time from the PBIS rewards activity day.

### **Detention:**

Detentions issued by teachers usually range from 10-50 minutes and can be held during lunch or before or after school. The classroom teacher will contact the parent/guardian if a student is assigned before or after school detention. It is the student's responsibility to inform his/her parents of all lunch detentions received. A lunch detention sticker may be placed in the student's agenda book on the day they are assigned detention.

### **Disciplinary Office Referrals:**

Students will be assigned consequences for office referrals based on the HCPSS Code of Conduct, which is included in this agenda book.

We want to maintain standards of dress and appearance to ensure that our school is a safe and respectful place to learn. All dress and grooming shall meet health and sanitary standards. Any type of apparel that is considered to be disruptive, dangerous, or provocative, shall not be permitted during school hours and school sponsored activities. These dress guidelines will present no difficulties if you remember to avoid extremes of dress. Exceptions will be made for religious and medical reasons only.

#### **Our guidelines are:**

- Shorts and skirts should be an appropriate length for school. Remember, middle school students are active learners who often stretch, bend down, kneel, run, and play. Shorts or skirts that rise higher than 6 inches above the bend of the knee are not recommended.
- Spaghetti strap, racer back shirts, crop tops, halter tops, single arm tops and muscle shirts should not be worn. Bra straps and undergarments should not be exposed.
- Headwear, hats, bandannas and sunglasses cannot be worn.
- Clothing that exposes belly buttons or has excessive rips, tears, or holes should not be worn.
- Pants should not be long enough to drag on the floor or hang low enough on the waist to reveal undergarments.
- Clothing and jewelry that display images, messages and/or slogans that may be offensive are not to be worn. Topics include illegal drugs, alcohol, tobacco or sex. Chains may not be worn or attached to clothing.
- Shoes should be worn that protect the entire foot and allow students to participate in class activities. Classroom teachers have the right to require certain footwear for participation in class activities. For example, PE students must have sneakers.
- Backpacks, book bags and large purses may not be carried during the school day.

If a student fails to follow these guidelines, they will be asked to remove the item or change into another outfit more suitable and a parent will be notified. Student dress and appearance are the basic responsibility of the students and their parents/guardians. However, if any member of the staff feels a student is in violation of the Dress Code Policy, the student will be sent to the administrators who will determine if a violation has occurred. If the administrator determines that the student is in violation of the Dress Code Policy, the student will be allowed to change clothing and other apparel. If the student does not comply with the request of the administrator, the parent/guardian will be contacted and disciplinary action may be taken.
