**Forms due back to your ELA teachers:
Friday, January 19, 2018**

School counselors will be available during lunch shifts of the week of January 16th to answer questions.

School Counselors will review all forms with the student before submitting to the high school.

Please complete the form regardless of where the student will attend high school (private, JROTC, JumpStart, moving over the summer, etc.). This way we can forward it to the new school.
